| What message did you learn?           |
|---------------------------------------|
|                                       |
|                                       |
|                                       |
|                                       |
|                                       |
|                                       |
| How did they express their feelings?  |
|                                       |
|                                       |
|                                       |
|                                       |
|                                       |
| What were their emotions in the song? |
|                                       |
|                                       |
|                                       |
|                                       |
|                                       |
